CAIRO, October 26.

Another grand Union rally, originally fixed for to-night, at Masonic Hall, was postponed to-day, on account of the rain. Hon. J. D. Ward, of Chicago, was to have been present, and Hon. S. R. Hay, and, involved with great interest, and after a few days' consultation, resolved to make a more impressive and powerful demonstration on Saturday night next. The meeting will be addressed by Dr. Dyer, also of Chicago, and by other equally gifted, white lights in the Union spell-bound, while he discusses the issues of the day. A torchlight procession was made to the meeting, and Hon. Jesse K. Dubois, who was a delegate to Andrew Johnson as the Presidential candidate, was made President by the hand of an enthusiastic negro.

The rain was one of the most orderly and quiet meetings ever held in Cairo. The speakers, General Logan, Governor Oglesby, and others, were present, and addressed the people in the open air.

Many of the Democrats who were present were heard to say that they would not vote the Democratic ticket this fall.

The Democratic Committee have made a requisition upon the Governor for the arrest of Thomas Spooner, late Colonel, of Chetwood, who left Washington, but to-day he reappeared in the field, and opened his batteries upon the Democracy. His fire, however, has not realized. Mr. Spooner brought, but failed to receive, the endorsement of Democratic Committee. Mr. Spooner, it is said, has been retained as chief log roller in the case, and is very busy in that capacity to-day. Mr. Johnston now speaks of Mr. Spooner as Chief Commissary of the small Bourbon at either hip, pay for his few political conversions brought about by Mr. Spooner.

It will be remembered that a few years ago a Chinese eunuch visited this country, and on his return to China was executed by the Emperor on the charge that he had not reported all that he had seen and heard, and so he will be killed. Funny Dutch.—The editor of Union, under his name heading, has taken occasion to say that the Democratic party has made provision for bribing at the election, but even in the case of it was not successful in that line, it would be better off than it would be if it should succeed in getting a majority of the votes honestly cast. The editor of Union is a funny Dutchman, and he will be rewarded in the next world for the amusement he has afforded us here.
